Collect funds sooner and accelerate returns with classic lockbox services from Mutual of Omaha Bank.

We Deliver

Transform your customers' payments into working capital for your business with our classic lockbox services. These remittance payment processing solutions save staff time, reduce errors, minimize fraud risk, reduce mail time and expedite processing. You'll have access to reliable and timely information and your funds will be available sooner, so you can put that money to work for your business.

Mutual of Omaha Bank has a long track record of providing superior and flexible lockbox processing options, with specialized packages for property management companies, insurance companies and utilities.

How it Works

We process check remittance payments on behalf of your company at one of our lockbox processing sites located in Phoenix, Arizona, or Omaha, Nebraska. You eliminate significant internal expense by taking advantage of our high-speed equipment. We provide valuable payment data back to you. You receive full access to funds the next day.
